## Application Notes

**We do not intend to impose on your teaching methodology however in order for us to maintain our high standards, it is essential that we understand the workings of your course.**

1. Our standards sheet only shows the minimum hours we require of your course. Please use the empty standards grid provided to give more details.
2. Your course summary can be taken from your student/teacher manual and can be broken down by module or teaching unit. Please summarise areas covered, assignments and reading that might be appropriate to each module.
3. Your reading list should be comprehensive and include not only core texts but recommended readings.
4. Please let us know the minimum attendance and the pass mark on assignments. It is also important to clearly identify the process when a student doesn't pass.
5. We ask that you have a grievance procedure in place. This will give you and your students peace of mind should a problem/complaint arise. We are happy to supply a template version to you.
6. Your code of conduct sets out the principles and ethics of your training course. If you do not have your own code of conduct, we are happy to supply a template version to you.
7. Your training course insurance must cover you to train teachers. Yoga Alliance UK insurance was upgraded in September 2011 to include training insurance as standard. If you are interested in our insurance, please contact us.
8. You need to list the regular teachers on your training course and leave it to the school to confirm that they hold appropriate insurance. Please use the Teacher Declaration form .
9. Your Liability waiver form creates an implicit understanding between you and your students that the course is taken at the risk of the student. If you are unsure of the wording and content of this form, we recommend that you contact a lawyer.
10. Please send in an example copy of the certificate you intend to hand out to graduates of your course. Your certificate should include the following:  
Name of training school, Name of graduate, Duration of the course (200 hour), Date graduate completed the course, Yoga Alliance UK RYS stamp, Signature of the Director.
11. You will not be asked for payment until we have received all of your supporting documents and we are happy to take a card payment over the phone at your convenience. Please see the pricing table (File 1.4) for more information.

Please also remember the following important points:

- You must provide an administrative email for your 200hr course that is different to your SYT email address.
- Once you have submitted all of your appropriate documents, we will create an account for you. Before your school webpage goes live on our website and before you are listed as a registered school, you must complete your profile.
